#### Introduction

This transfer program gives Fletcher Technical Community College (Fletcher) students the opportunity to take courses that simultaneously satisfy requirements for Fletcher's Associate of General Studies degree and a baccalaureate program at Nicholls State University. The program guides in this document will assist both advisors and students with the selection of approximately 60 credit hours of courses that apply to both degrees. You will notice that most programs require Fletcher students to cross enroll at Nicholls. Students may cross enroll in up to six hours each semester. It should be noted that once the A.G.S. degree is completed, the hours remaining to earn a bachelor's degree may require more than four semesters of enrollment at Nicholls. Also, for some programs listed in this handbook, additional semesters may be required to complete course work.

The table below identifies Nicholls 2019 - 2020 academic programs and the number of credit hours for which Fletcher students must cross enroll. Students may be required to take from 0 to 24 hours through cross enrollment depending upon the program. Note that some guides list courses necessary to satisfy A.G.S. requirements that do not apply to the associated baccalaureate program. Also, some baccalaureate programs require more than 120 credit hours. For those programs, more than 60 hours will be required to complete a bachelor's degree.

<sup>†</sup>More than 60 hours may be needed to complete baccalaureate degree requirements after completing the 60-hour A.G.S. degree.

#### **Application Process**

Students wishing to participate in this program should complete the Intent to Participate Form (IPF) (<u>Appendix</u> A). The IPF must be submitted to the Nicholls Office of Admissions by a Fletcher advisor.

#### **Graduation under a Specific Catalog**

Nicholls State University policy allows a student seven years to graduate under the *Nicholls Catalog* in effect at the time of initial enrollment at Nicholls, even though the student has made a change in curriculum or has had a break in college attendance. Fletcher students participating in the A.G.S. program have the same opportunity to graduate under a specific catalog. Students signing and submitting the IPF from this advising guide are declaring the intent to graduate under the *2019-2020 Nicholls Catalog*.

Within the seven year period, students may change to another *Catalog* by completing the IPF from the advising guide in effect at the time. Students unable to complete a degree program within seven years after signing the IPF are expected to follow the *Catalog* in effect during their eighth year of attendance (or the *Catalog* in effect the year of graduation). The IPF must be submitted to the Nicholls Office of Admissions.

Information regarding cross enrollment is provided in (<u>Appendix B</u>). Students must follow all cross-enrollment policies and procedures. Applications must be completed each semester of participation in cross enrollment.

When transferring to Nicholls, students must complete an application for admission and submit all necessary fees, transcripts, and other documents as required by the university.

### **Understanding Program Guides**

The subsequent pages contain advising guides for the various programs offered through this agreement. Please note that the order in which courses are listed on the program guides is not necessarily the order in which courses should be taken. Advisors and students should consult the current Nicholls State University catalog (<a href="http://www.nicholls.edu/catalog/">http://www.nicholls.edu/catalog/</a>) for specific program entrance, grade, minor and course sequencing requirements.

Advisors and students should be aware of the following:

- All students planning to graduate from Nicholls with baccalaureate degrees must complete the general education requirements described below. Note that some programs specify the courses that are needed to meet those requirements. In those cases, the courses are listed on the guide. When given the option to select "Any *Gen Ed*" course(s), students should choose from the *Fletcher General Education Courses* list in <u>Appendix C</u>. To satisfy general education requirements students must complete
  - o six hours of English composition.
  - o a minimum of six hours of non-developmental. Developmental mathematics courses will not apply to any four-year degree.
  - o a minimum of nine hours of natural science courses including courses in both the biological and physical sciences. Six hours shall be earned in a single biological or physical science. Three hours must be earned in a natural science area other than that selected to fulfill the six-hour requirement. If a student completes six hours in the biological sciences, say BIOL 1010 and 1140, then the student's third science course must be a physical science, for example, GEOL 1010. Please note that if a student completes six hours in the physical sciences, those six hours must be in the same science; for example, six hours of CHEM courses, six hours of GEOL courses, six hours of PHSC courses, etc.
  - o a minimum of nine hours of humanities courses with no more than six hours from a single discipline.
  - o a minimum of six hours of social sciences courses.
  - o a minimum of three hours of fine arts courses.
- Each program requires completion of at least two hours of computer literacy and completion of the one credit hour UNIV 101 course. Students transferring with 30 or more credit hours will not be required to take UNIV 101. However, the one hour usually earned by completing the course must be earned in some other way. For the programs with a 2-hour computer literacy requirement, Fletcher students may fulfill this requirement by completing CPTR 1100. The extra hour earned by taking CPTR 1100 will cover the one hour lost by not completing UNIV 101.
- Free elective courses may be selected from any academic courses. Advisors and students should check the table of equivalent courses for transferable courses (<u>Appendix D</u>). Vocational/Technical courses are transferable to Nicholls, but degree applicability cannot be guaranteed.
- All courses listed in the program guides are three credits unless otherwise indicated. [e.g., MATH 165(5), BIOL 155(4), etc.]
- Some programs may require more than eight semesters to complete.

Introduction to Computer Science I (3 hrs)		CMPS 130
Public Speaking (3 hrs)	SPCH 1200	
Select 9 hrs of electives	Any academic courses may be selected <sup>4</sup>	
Total Hours: 60	Fletcher Hours: 36	Cross Enroll Hours: 24
<sup>1</sup> Students may take Fletcher's BIOL 1030		

<sup>&</sup>lt;sup>2</sup>Students in the Professional or Biochemistry concentrations must take MATH 166(4). Students in the Pre-Pharmacy or Pre-Medical/Pre-Dental concentrations should take MATH 214 (MATH 2100) instead of MATH 166. In this case, the elective hours will increase from 9 to 10 and Cross-Enrollment Hours will decrease from 24 to 20. Please see the current Nicholls catalog for more information. A MATH course beyond MATH 165 is not required for the General Chemical Sciences Concentration.

<sup>&</sup>lt;sup>3</sup>Students in the Biochemistry and Pre-Pharmacy Concentrations are required to take some of these courses at the upper level. Please see the current Nicholls catalog for more information.

<sup>&</sup>lt;sup>4</sup>Hours needed to meet the AGS 60 hour minimum requirement. Some or all of these hours may not apply towards the Bachelor of Science degree.

<sup>\*</sup>Students are permitted to enroll into the Foundations Core Courses (EDUC 250, EDUC 251, PSYC 206, PSYC 210, and PSYC 220) when they have: 1) Earned a minimum of 30 semester hours applicable to the degree, including ENGL 1010 (C or better) and 1020 (C or better), three hours of non-developmental mathematics (C or better), three hours of science, and three hours of a social science. 2) Earned a minimum overall GPA of 2.5. 3) Completed an Application of Entry Form to the College of Education. 4) Completed a Verification of Eligibility Form. 5) Achieved passing scores on the *Praxis*® Core Academic Skills for Educators (CASE) tests: At least 156 on the reading test, at least 162 on the writing test, and at least a 150 on the mathematics test. Candidates are exempt from CASE tests if they have earned an ACT composite score of 22 or higher or a combined verbal and math SAT score of 1030 or higher. Students are encouraged to take CASE tests early in their academic careers. Students and advisors are encouraged to review Teacher Education Program requirements in the Nicholls catalog.

## **Appendix B:** Cross-Enrollment Instructions

#### Before you Apply for Admission to Nicholls:

- Before applying to Nicholls State University for cross enrollment, you should check class availability by going to <a href="www.nicholls.edu/register">www.nicholls.edu/register</a> and selecting Course Schedule via Banner Self-Service.
- Select *Class Schedule* from the list that appears. Using the drop-down menu, select the term for which you intend to enroll.
- Search for the course by first selecting a subject. For example, if you select the *Accounting* subject, you will see the accounting courses being offered for the term. Courses are listed in the following format: *Introduction to Financial Accounting 80005 Acct 205 2M*. Record the course name abbreviation, course number, section code, and course reference number (ACCT 205 2M 80005). You will need this information during later in the process.

#### **Applying for Admission to Nicholls:**

- Go to www.nicholls.edu/apply. Click Apply Now.
- Select the semester for which you are applying under *Cross Enrollment*. This will direct you to the *Create Account* page.
- Complete the *Create Account* section. Please provide an accurate email address. Click *Create Account*.
- You should receive an email. Please click on the link provided in the email to verify your account.
- Log into your account using the username and password you created.
- Answer all the required information on the application.
- List the class information for the course(s) that you wish to take at Nicholls (e.g., ACCT 205-2M-80005).
- Once the application is complete, click *Submit*.

#### **Registration for Nicholls Courses**

- To be registered for a Nicholls course, you must meet all course prerequisites. Eligibility for a course will be determined during application processing. Once eligibility is confirmed, you will be registered for the course by a Nicholls academic advisor. Notification of registration will be sent via email. You will also receive notification in the event the course is not available or if you are not eligible for the course. Please check your email frequently.
- It is your responsibility to follow-up and pay all applicable course fees to Nicholls by the posted fee deadlines. Fee deadlines are available online at <a href="www.nicholls.edu/calendar">www.nicholls.edu/calendar</a>. Payments made after deadlines are subject to late charges.
- If you have questions or need assistance with course registration, please contact the Academic Advising Center at 985-448-4117 or Cambria Bouzigard at 985-448-4101 or email us at <a href="mailto:crossenrollment@nicholls.edu">crossenrollment@nicholls.edu</a>.

## Appendix C: Fletcher General Education Courses

When selecting general education electives, students should select from the courses listed below.

**English Composition** 

ENGL 1010/1000 English Composition I ENGL 1020 English Composition II

**Mathematics Electives** 

MATH 1100/1000 College Algebra

MATH 1110 Trigonometry

MATH 1170/1160 Contemporary Mathematics

MATH 2010 Applied Calculus

MATH 2100 Introductory Statistics

**Natural Sciences** 

**Biological Sciences** 

BIOL 1010 General Biology I

BIOL 1020 General Biology II

BIOL 1030 General Biology (Science Majors)

BIOL 1140 Human Anatomy and Physiology I

BIOL 1160 Human Anatomy and Physiology II

Physical Sciences

CHEM 1010 Chemistry I

**GEOL 1010** Physical Geology

GEOL 1020 Historical Geology

PHSC 1000 Physical Science I

PHSC 1200 Physical Science II

PHSC 1400 Physical Science III

**Literature Electives** 

ENGL 2010 British Literature I

ENGL 2020 British Literature II

ENGL 2110 Introduction to Fiction

ENGL 2120 Children's Literature

ENGL 2150 Introduction to Poetry and/or Drama

ENGL 2200 Major British Writers

ENGL 2210 Major American Writers

ENGL 2996 Special Topics in Literature\*

**History Electives** 

HIST 1010 Western Civilization I

HIST 1020 Western Civilization II

HIST 1500 World History I

HIST 1510 World History II

HIST 2010 American History I

HIST 2020 American History II

**Humanities Electives** 

ENGL 2010 British Literature I

ENGL 2020 British Literature II

**Humanities Electives (Continued)** 

ENGL 2110 Introduction to Fiction

ENGL 2120 Children's Literature

ENGL 2150 Introduction to Poetry and/or Drama

ENGL 2200 Major British Writers

ENGL 2210 Major American Writers

ENGL 2996 Special Topics in Literature\*

HIST 1010 Western Civilization I

HIST 1020 Western Civilization II

HIST 1500 World History I

HIST 1510 World History II

**HIST 2010** American History I

HIST 2020 American History II

**PHIL 2030** Introduction to Philosophy

FREN 1010 Elementary French I

SPAN 1010 Elementary Spanish I

SPAN 1020 Elementary Spanish II

**Social Sciences Electives** 

ANTH 1600 Cultural Anthropology

CRJU 1010 Introduction to Criminal Justice

CRJU 2030 Criminal Law

**CRJU 2040** Police Administration

**CRJU 2630** Introduction to Corrections

ECON 2010 Macroeconomics

ECON 2020 Microeconomics

GEOG 2010 World Regional Geography

GEOG 2020 Physical Geography

POLI 1100 Introduction to American Government

POLI 2500 Introduction to Comparative Government

POLI 2520 Introduction to State and Local Government

**PSYC 2010** Introduction to Psychology

PSYC 2060 Child Psychology

**PSYC 2120** Developmental Psychology

**SOCI 2010** Introduction to Sociology

**SOCI 2020** Social Problems

**Fine Arts Electives** 

ARTS 1200 Introduction to Visual Arts

ARTS 2010 Beginning Drawing

ARTS 2800 Art History Survey I

ARTS 2810 Art History Survey II

MUSC 1010 Music Appreciation

MUSC 2010 Introduction to Rock Music

MUSC 2020 Jazz Appreciation

**THEA 1010** Introduction to Theater Appreciation

<sup>\*</sup>ENGL 2996 Special Topics in Literature: Introduction to Film transfers as ENGL 240 which does not satisfy a general education literature requirement. However, the course may be used to meet either the general education Fine Arts or Humanities requirement. Degree applicability of other versions of ENGL 2996 should be discussed with an academic advisor.

### Appendix D: Table of Equivalent Courses

All courses listed below transfer to Nicholls State University as either the indicated equivalent or elective credit. Fletcher courses that do not match any Nicholls courses are numbered as 1XX or 2XX. For example, if a student completes Fletcher's three-credit CRJU 2650 course, since Nicholls does not offer an equivalent course, the student will receive three credits for a CRJU elective course at the 200 level. This course is designated as CRJU 2XX. The determination as to whether elective courses or any specific courses not listed on the advising guide of a particular program will satisfy any requirement of the program is made by the department and the college of the major. Developmental (remedial) courses (†) are not considered college-level courses and will not apply to any degree program. Grades for all courses will be included in the official cumulative GPA. Students are strongly encouraged to seek the assistance of Fletcher or Nicholls advisors when selecting courses for transfer. Highlighted courses are no longer offered at Fletcher, but may still be degree applicable if completed prior to discontinuation.

Fletcher Course	Fletcher Course Title	Nicholls Equivalent	Nicholls Course Title
ACCT 2100	FINANCIAL ACCOUNTING	ACCT 205	INTRODUCTION TO FINANCIAL ACCOUNTING
