* Student population for report was taken from the highest award in each program area.

¹ Percent employed includes all graduates reporting employment in the reporting year, regardless of whether employment is related to the program. Does not include unresponsive population.

² Percent of graduates employed in jobs related to program of study in the reporting year

³ Percent response rate of employer data by students in program of study

⁴ Annual salaries self-reported by graduates are in program-related fields only where an average income was taken from all those reported

⁵ Job titles as self-reported by graduates in program-related employment

⁶ Employers of graduates as self-reported by graduates in program-related jobs

⁷ Houma-Bayou Regional Labor Market annual median wage for program-related occupations as report by Louisiana Workforce Commission Department of Labor for 2021

⁸ State Labor Market annual average wage for program-related occupations as reported by Louisian Workforce Commission Department of Labor for 2021

⁹ (-) No data reported by graduates
