* Student population for report was taken from the highest award in each program area.

* In cases where the % continuing education and the % employed equal more than 100%, the student has reported that they have a job but are continuing their education as well.

* Note the Surgical Tech Program switched from Spring to Summer completion during this year, so their data will be shown on the 23-24 report. No data is reflected in this Academic year.

* Students receiving a Technical Studies degree are also reflected in the programs in which they studied in this report. In this year, Practical Nursing, HVAC, and Welding.

¹ Percent employed includes all graduates reporting employment in the reporting year, regardless of whether employment is related to the program. Does not include unresponsive population.

² Percent of graduates employed in jobs related to program of study in the reporting year

³ Percent response rate of employer data collected in each program area

⁴ Annual salaries self-reported by graduates are in program-related employment only, where an average income was taken from all those reported

⁵ Job titles as self-reported by graduates in program-related employment

⁶ Employers of graduates as self-reported by graduates in program-related jobs

⁷ Houma-Bayou Regional Labor Market annual median wage for program-related occupations as report by Louisiana Workforce Commission Department of Labor for 2022

⁸ State Labor Market annual average wage for program-related occupations as reported by Louisiana Workforce Commission Department of Labor for 2022

⁹ (-) No data reported by graduates or obtained
